Messages from Mary

Dear Sons and Daughters, I am your Mother and I suffer because of My poor children who are far from The Lord. The day will come when many people will regret a life passed without God, but for many it will be late. Don't let the devil deceive you. Belong to The Lord and transform your lives. Now is the time of Grace. Humanity is going on the path of self destruction that people have prepared with their own hands. A great suffering will come for those who live in Italy. **Something similar will come to those who live in Chile. The ground will be shaken and people will live in a time of great suffering.** Pray. Only by prayer will you be able to support the weight of the cross. Seek your strength in The Lord. He loves you and is waiting for you. This is the message I transmit to you today in the name of The Most Holy Trinity. Thank you for permitting Me to reunite you here once more. I bless you in the name of The Father, and of The Son, and of The Holy Spirit. Amen. Be at peace. *Message 3233 - 27/10/2009*

Dear Sons and Daughters, **the island of Madeira will be devastated**, and the dwellers of a big city on the banks of the Tejo river will experience a heavy cross. Bend your knees in prayer. God sent Me to call you to holiness. **Live turned towards paradise, the only place for which you were created.** Humanity will carry a heavy cross because people have gotten away from their Creator. Return. Your God awaits you with open arms. I am your Sorrowful Mother and I suffer because of what is coming to you. Seek strength in the Eucharist and testify to My appeals with courage. This is the message I give you today in the name of the Most Holy Trinity... *Message 3269 - 21/01/2010*

Dear Sons and Daughters. I love you as you are. I come from heaven to bless you and tell you that now is the time for your conversion. Don't cross your arms. The Lord is calling you and waiting for you. I know your difficulties and will speak to My Son Jesus for you. Don't lose heart. Trust in The Lord. Firmly believe in His Goodness and you will be rich in faith. Don't live far from the Grace of God. Humanity is sick and needs to be cured. Pray. Just as plants need rain to grow, you need prayer to grow in the spiritual life. Fear not. In the great final tribulation, those who consecrate themselves to Me will be protected. I suffer because of My poor withdrawn children. **The land of the mountain will be shaken (Haiti is referred to as the land of mountains)**, and mountains will come down in many places. Those who were faithful to the end will not experience defeat. Belong to The Lord. I am your Mom and I am always at your side. Courage.. This is the message I give you today in the name of the Most Holy Trinity ... *Message 3263 - 07/01/2010*

News

March 25 is the feast of the Annunciation, when Mary was visited by archangel Gabriel and informed that She had been selected to bring to life the Savior. Mary in Her free will had the chance of saying *No*, but in complete humility and obedience, She said *Yes*. Pause for a moment on this day and think what a great feat from a 13 year old girl and what a great moment this was for all humanity.

Author's Note

This month I present to you the messages of Pedro Regis, a Brazilian seer who has been receiving messages of Our Lady (Queen of Peace, of Anguera) since 1987. They are very pertinent because these messages have accurately not only predicted the earthquakes in Haiti and Chile, but also the mudslides in Madeira, Portugal, which took the lives of many people on Feb. 22, 2010. If you are interested in reading more of the messages that Regis has been receiving and many other predictions, please visit: <http://www.pedroregis.com>. Remember **we belong in Paradise as Mary says, the only place for which you were created.** No need for comments, because these messages speak for themselves. Love and blessings, Alex
